- STM 333U / S3051-D333
- STM 332U / S3051-D332

Reason for discontinuing listed products

- STM 332U and STM 333U are built-to-order variants (with MOQ = 2000 units) of STM 331U that were used in specific designs requiring a different orientation of the LRN button.
- Customer designs have by now largely transitioned to the STM 331U variant and STM 332U and STM 333U will therefore be discontinued.
