

Herewith, we inform you regarding the status of our Edge products in relation to EC regulation 1907/2006 (REACH), article 33.

Within the terms of above-mentioned regulation, EnOcean Edge Inc as product manufacturer using low quantities is a "downstream user" and therefore not subject to registration.

EnOcean Edge Inc. delivers exclusively non-chemical products. These contain no substances intended to be released according to REACH article 7 (1) in normal or reasonably predictable conditions of use.

EnOcean Edge Inc. inspected its products and components in accordance with article 33 to evaluate if they contain SVHC (Substances of Very High Concern) listed on the current so-called "Candidate List for Authorization" (Art. 59; date: 04-Feb-2026).

Annex 1 provides a list of EnOcean products containing SVHC over the threshold level of 0.1 wt% including all information needed to meet the communication obligations defined by the REACH regulation. Currently there is no substitute for the chemical substance used within these products.

EnOcean products which are not listed in Annex 1 do not contain any SVHC over the threshold level of 0.1 wt%.

EnOcean Edge Inc. confirms at today's level of awareness adherence to all requirements that arise from above-mentioned regulation. We will inform you as soon as possible if additional information according to Art. 33 of this regulation will be required in the future.

Information about ingredients and the resulting assessments are based on statements of EnOcean Edge Inc. suppliers.

Annex 1

Products containing components with SVHC over the threshold level, 0.1wt%**Product: 75010R**

Tab.1 Identification of candidate list substances

Number of units	Article name	Article category	SVHC name	SVHC CAS no.	Material/mixture category	Concentration range %
1	Connector	85366990	Lead	7439-92-1	metal > brass	≥ 1.0% w/w and < 10.0% w/w

Tab.2 List of products

Part Number	Part Number revision	Article category	SCIP registration no.
U10 FT (75010R)	B-0	85423990	9801ee58-2c7a-4099-8e25- 502fa9320c66

Product: 75060R-40

Tab.1 Identification of candidate list substances

Number of units	Article name	Article category	SVHC name	SVHC CAS no.	Material/mixture category	Concentration range %
1	Diode	85411000	Lead	7439-92-1	PC-TEC-24 Welding, soldering, and flux products	≥ 1.0% w/w and < 10.0% w/w

Tab.2 List of products

Part Number	Part Number revision	Article category	SCIP registration no.
U60 (75060R-40)	D-1	85423990	259efcfa-f7ca-4b7c-b7ddb1fbbb87e2a1

Product: 65440R

Tab.1 Identification of candidate list substances

Number of units	Article name	Article category	SVHC name	SVHC CAS no.	Material/mixture category	Concentration range %
1	Diode	85411000	Lead	7439-92-1	PC-TEC-24 Welding, soldering, and flux products	≥ 1.0% w/w and < 10.0% w/w

Tab.2 List of products

Part Number	Part Number revision	Article category	SCIP registration no.
U60 (65440R)	A-3	85423990	44a76d14-da01-43dd-af97- 35501a710b56

Product: 65430R
