

Dear valued customer,

as part of our sustainability activities, we would like to ask you to actively participate and support our packaging recycling program. Everybody can help a little to protect our environment.

We have established a return system for our module trays.  
Please consider the following, before returning the trays:

- Trays must be free from oil or glue residue
- Only original tray packaging provided by EnOcean will be accepted. This can be identified by the branding "EnOcean" embossed in the tray
- All EnOcean module tray variants are accepted. See example figure below
- Please place the trays intended for recycling into a box that is suitable for shipment
- Shipping fee must be paid in advance
- Add a note to the shipment: "for recycling"

**Address for return:**

**Spezi-Pack Karl Spethmann GmbH Dresden**  
**Obercunnersdorfer Str. 5**  
**01774 Klingenberg**  
**Germany**
